We use "Bob's Red Mill gluten free pancake mix". We add eggs, milk and oil.  
If you prefer us to use water only, please let your server know when ordering.  
We use udi's Gluten Free Classic Hamburger bun for all of our great burgers and sandwiches.

We serve some gluten free products, but this is not a gluten free facility due to our many menu items. Our desire at Terri's Café is to help those who have allergies to gluten find menu choices that they would enjoy. Please, feel free to ask us questions if you have any concerns. Most of our dishes are prepared from scratch and we have been told by guests with sensitivities that these are ones they would choose.

We do not use any nuts unless it is specified on a menu item.
